Denver, Colo.

Enclosed find check for contin-
uation of the Sun for another year. We
cannot do without it in our home.
The people of this city and especially
the members of St. Stephens Baptist
church of Denver extend their love
and best wishes to Rev. J. W. Har-
rison, "The Live Wire." He deliver-
ed messages to the people of Denver
that can never be forgotten. He de-
parted from this city nearly three
months ago and yet his sermons and
songs are ringing in our ears. His en-
thusiastic sermons appealed to the
sinners of Denver as never before, giv-
ing to them the food that tends to
awake moral judgment as we have
added twenty-two members to our roll.
The Denver people at first almost re-
fused to partake of his christian doc-
trine as the doses were so numerous
and bitter but long before he had fin-
ished we were more than willing to
sit up all night and listen. Under his
voice we received many converts, I
for one. He reached my soul when he
was delivering one of his famous testi-
mony days. Extend our best wish-
es to him. Truly hoping he will be
able to pay us another visit in the
near future, I am,
Very truly yours,

W. T. CLARK,
3228 Short Larimer St.
Denver, Colo.
